

**Philip Klapwijk**  
**Executive Chairman, GFMS Limited**

Philip Klapwijk is the Executive Chairman of GFMS. As an analyst, he covers the official sector, investment and fabrication demand in North America, Latin America and much of Europe.

Philip holds a degree in economics from the London School of Economics and a Master's degree in the same discipline from the College of Europe in Bruges, Belgium.

Philip was appointed Group Economist at the former mining conglomerate Consolidated Gold Fields in 1987, where he was responsible for developing the group's economic scenarios as well as participating in the work for the annual Gold Survey. He has worked for GFMS as part of the precious metals research team since 1989.
